SUFFRAGE AMENDMENT PASSED HOUSE TODAY BY A LARGE VOTE

Harrisburg, Pa., Feb. 9 (Special)
Daily Independent,
Monessen, Pa.

Woman's Suffrage bill passed 130 to 71, six members being absent.

B. F. Bungard.

As soon as the vote had been taken Rev. B. F. Bungard, representative in the lower house, sent the above telegram to the Independent, thus informing his constituency through this medium the actions of the House on one of the most important issues of the present session.

The lobbies were crowded with advocates of the cause and numerous persons opposed to the measure. The resolution opposing the amendment to the constitution had to go back to second reading last night because of changes in form which were found necessary and this morning when it came up for third reading it passed with the above vote.

K. of P. Ladies Entertain in Open Meeting Last Night

The open meeting of the Pythian Sisters in Olympic hall last evening was certainly a complete success. The program rendered consisted of vocal and instrumental music, together with a reading by Mrs. McMahon and a short comedy entitled "The Coming of Annabel" and was very interesting and enjoyed by all present.

Nearly all present took part in the cake walk, Miss Lizzie Stevenson carrying off the prize. The second cake given as a prize was carried off jointly between Mr. Brady and Master Leonard Hotchkiss. A pleasing lunch was served by the Pythian sisters which was very refreshing. And then of course the young folks had the chance to enjoy the "Step Fantastic" before the close.

MAN WHO ATTEMPTED TO ASSAULT GIRL COMMITTED TO JAIL

For an attempt to commit an assault upon Ella Lazega, an eighteen year old Slavish girl, Tony Melo was taken to Greensburg today and placed in jail in default of $1,000 bail.

A preliminary hearing was held before Squire A. N. Shuster yesterday afternoon and the evidence was sufficient to hold the man for court. The alleged assault took place Sunday morning between the hours of 6 and 7 o'clock at the intersection of Schoonmaker avenue and an unnamed alley. The girl works in the Acme resturant on Sixth street and was on her way to work.

At the hearing she said she was walking along the street when she observed a man watching her. To get to a place of safety she started to walk at a rapid pace and the man left the street she alleged, and making his way to the alley intercepted her just before she reached her place of employment.

According to her story he grabbed hold of her, threw her to the ground and placed his hand over her mouth to prevent her from making any outcry. She put up a fight and her cries frightened the man away and the girl rushed breathless to the restaurant whehe she told her story to Chef Andrews.

The police station was communicated with and Patrolman Martz rushed up the street. He claims he saw Tony walking down Donner avenue and that his actions were suspicious. A description of the assailant was obtained from the girl, the tracks were measured and a warrant issued on circumstantial evidence.

When ushered into the presence of the man, the girl made a positive identification of Melo as her assailant and as only the commonwealth's side of the evidence was introduced, he was not given an opportunity of telling his story. The bond was fixed at $1,000, and being unable to furnish it, he was sent to Greensburg today to await the actions of the grand jury.

Charles Papovich who was fined $20 in police court yesterday morning and was charged by Officer Smith with carrying concealed weapons, was given a hearing on the latter charge yesterday afternoon. A pair of brass knucklers was found in his pocket. He was held for court under $300 bond, but couldn't furnish the bond and had to go to jail.

Fred Menefee, private sleuth, was detailed on a case yesterday. Andy Kozar was charged with stabbing Charles Papovich but he couldn't be located. A warrant was placed in the hands of the officer and he located his man concealed in a rear room in a Twelfth street house. At the hearing this morning the stabbing act was not proven but as Andy had participated in a big fight, he was fined $2 and costs. This case was heard before Burgess Dunlap.

Charles Bilitz was charged with strikng Steve Bolsen over the head with a beer bottle. The evidence would not sustain the charge and the costs amounting to $11.00 was assessed against the prosecutor. The trouble occured at a wedding at 1057 Morgan avenue and the defendent was also accused of offering the bride two bits for a dance which was an insult to the occasion. The case was heard before Squire A. N. Shuster.

PROGRAM FOR THE ELKS' BIG MINSTREL

The Elks Minstrel show at the Star theatre Friday and Saturday of this week is expected to far surpass any previous efforts of this organization in the realms of minstrelsy. This affair has been an annual event for the past nine years, and all those who have been so fortunate as to secure seats in the past should realize that the aim of this organization is to place before the public a performance that is well worth the price of admission. We feel safe in saying that no organization attempts to produce a minstrel so lavishly costumed, with their own special scenery, electrical effects and augmented orchestra, under the direction of Prof. Fred Lindauer. The first part is a picture that will remain in the public eye long after the performance is forgotten, and the opening is a fair criterion of the balance of the show.

The program as presented to us opens in a tea garden on the Island of Nippon in the realms of the Mikado. Here you find gathered musicians and singers from various quarters of the world, out for an evening's enjoyment.

LOCKS DOOR TAKES LIFE BY SHOOTING

Locking the doors and nailing down the windows of her home in Coolspring, Saturday morning, Mrs. Acie Mitts, aged 29 years, daughter of Samuel Crawford, of near Uniontown, shot herself in the abdomen and died in about an hour. Sh breathed her last about 12:30. Several physicians were called but none arrived in time.

Mrs. Bailey, who lives in a house nearby, heard the report of the revolver and also heard the woman fall to the floor. She summoned James Guseman and that man broke down the door of the Mitts home and found the woman with a bullet wound in her stomach. An examination proved that the windows had been tightly nailed down and the doors had been locked and barred.

Persons who rushed into the Mitts home found the woman on the floor with the revolver nearby. Blood was flowing freely from the wound in her stomach and it was evident that she had only a short time to live.

Mr. Mitts who is employed at the Lemont mine No. 2 coke works, was not at home at the time of the shooting. It is reported that he purchased the revolver Friday night.

No motive for the suicide is known as the domestic life of the woman seemed to be pleasant. Both herself and her parents are well and favorably known in the vicinity in which they reside.

The woman was married about six months and had lived in Coolspring only a short time.

POST OFFICE HELP BUREAU

Every postoffice in this country will now be an employment agency. The purpose of this new venture of the Department of Labor is to get men searching for work in touch with the employers of labor.

Applications have been received by Postmaster Edmond Jeffries and a notice has been posted in the Monessen post office, stating that those who wish work or desiring to employ men can file their applications and they will be forwarded to Washington.

Men out of work can apply to carriers or postmaster for application blanks. Men wanting to employ labor can also secure blanks, and the service is free to both.

When the blanks are filled out, they can be returned to the post office or carriers where there are any, and they will then be forwarded to Washington, post free, to the Department of Labor.

The applications sent to the local postmaster are for farmers desiring men to do farm and dairy work.

Farmers desiring to employ men must state the wages they will pay to experienced and unexperienced men, and also the kind of work that is to be done. They must also state whether they want married or single men and if they are willing to pay transportation, and if so, whether it will be deducted from the wages of the men.

Persons wanting work are required to give age, nationality, married or single, what wages they expect, whether they have ever worked on a farm, and in what branch of the industry they are most proficient.

ABSCONDING BANKER HAS BEEN CAUGHT

Thomas Poletz, the absconding foreigner of Brownsville has been found in Cincinnatti, Ohio, by Detective John Smith of Fayette county, and the man was brought back Saturday and taken to the county jail at Uniontown.

Poletz, it is said, disappeared some weks ago with about $37,000 in money which had been deposited in the Poletz bank by foreign workmen, supposedly to be forwarded to their friends in the old country.

Poletz, it is said, had gone to Cincinnatti and bought a restaurant business which he was operating when apprehended.

Young Poletz is charged with embezzlement from the R. Poletz bank which was licensed under the states law. State Bank Examiner John McGlinchey preferred the charge. The country has been flooded with dodgers carrying Poletz's picture and complete description of the missing man.

It is thought much missing data in the Poletz bank affairs, can probably be supplied by Thomas Poletz that will considerably relieve the situation for the R. Poletz estate. Poletz disapeared December 30 and it was at first feared that he had committed suicide.

District Attorney Roy Shelby will sift the case in the Fayette county court and it will likely go pretty hard with the young Italian banker.

WANT TO REPEAL FULL CREW ACT

Railroad Companies Claim Plan Is Too Expensive.

OTHER 1913 LAWS UNDER FIRE

Legislature Will Devote Much Time to Considering Bills Aimed to Wipe Out What Was Done Two Years Ago--Non-Partisan Judge and Cold Storage Statutes Are Being Attacked.

Harrisburg, Feb. 9.—Efforts to repeal altogether or make sweeping amendments in laws enacted only two years ago promise to take up much of the time of the present legislature.

The acts under fire deal with varied subjects, and each has its group of opponents who intend to battle hard to wipe from the statute books the particular legislation which they consider "perniciously unsatisfactory."

Foremost among the laws about to be attacked is the full crew act. Railroads do not like it, and agents of the railroads make the assertion that employes have found that it works to their detriment rather than to their benefit. But the representatives of the trainmen deny this statement and announce that they will resist every attempt to repeal the law. It is costing the railroads considerable additional expense; hence the movement to bring about its repeal.

JAMES F. WOODWARD,
Chairman of House Appropriation Committee.

The non-partisan judge law, passed with much enthusiasm in 1913, has through its operation brought upon itself sufficient disfavor to cause the legislature to set it aside and return to the old order of things, when parties nominated men for the bench. Like many other acts of assembly, it is good only in theory.

Members of the senate and house are being flooded with letters against the cold storage law enacted in 1913. The chief complaint is on the short term of storage allowed for butter and eggs. Farmers, produce merchants and cold storage men claim that the present law has worked a great injury to the consumer; that instead of insuring to the people more wholesome food it does nothing but increase the price of dairy products. The law in Pennsylvania is more drastic than in any other state, and as a result the cold storage concerns and farmers in the neighboring states of New York, New Jersey and Delaware are being benefitted at the expense of Pennsylvanians.

Representative William H. Wilson, of Philadelphia, who is chiefly responsible for the 1913 act, is out with a statement, in which he defends the law and states that "the people who are protesting against it are the cold storage concerns and the interests closely allied with them."

Bills are in to repeal the act creating the public service commission, while other measures call for a reduction of the powers of this board. Certain members of the legislature are filled up with arguments against the commission, and before the session ends there is a likelihood of a determined effort being made to abolish the board.

ASSESSMENT LEGISLATION

Nine Counties Affected by a Revolutionary Measure.

Harrisburg, Feb. 9.—Nine counties are affected by a revolutionary assessment bill, introduced in the house by Representative Dawson, of Lackawanna. It changes the system of assessing taxes in all cities, boroughs and townships in counties containing a population of from 150,000 to 500,000. The counties are Luzerne, Lackawanna, Westmoreland, Schuylkill, Lancaster, Berks, Montgomery, Cambria and Fayette.

The bill provides for the appointment in each county of a board of three members. This board will be appointed in the first instance, by Governor Brumbaugh, one man for two years, one man for three years and the third man for four years. Subsequently the board members will be appointed for a term of four years by the county commissioners. The assessment board is authorized to name sub-assessors in convenient districts, to be paid at the rate of $5 a day to complete the assessment. The bill would abolish all city, county, ward and township assessors.

Here Is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

LOCAL SPORTS

Last night opened the Billiard tournament at the Olympic parlor with a large crowd present, the features being 14-2 balkline and Pocket billiards.

In the preliminary A. Currie defeated J. Schumm at 14-2 balkline by the score of 100-85.

In the main exhibition in Pocket Billiards, Harry Lebowitz defeated Frank Bush, the score being 100-73.

Lebowitz had high run of 30 in pocket while Currie's run on 14-2 balkline was 7.

This tournament consists of eight numbers —two each week, and all lovers of the billiard game, pocket or balkline should plan to witness the entire series.

Manager Lebowitz is sparing no expense to make this one of the best and most entertaining features in billiardom along this valley, and at the close a magnificient silver loving cup will go to the winner in the pocket billiard contest and in balkline the winner will receive a handsome private cue.

The prizes in pocket billiards will be awarded to those making the two highest scores against Mr. Lebowitz. All games will be called promptly at 9 o'clock.

Coming games in this tournament will be as follows:

Friday, Feb. 12—Harry Lebowitz and Clint Manown.

Monday, Feb. 15—Harry Lebowitz and H. E. Stewart.

Friday evening, Feb. 19—Harry Lebowitz and Slim Gleason.

Monday evening, Feb. 22—Harry Lebowitz and Joe O'Toole.

Friday evening, Feb 26—Harry Lebowitz and Wm. Eller.

Monday, March 1—Harry Lebowitz and Wm. Graeser.

Friday, March 5—Harry Lebowitz and Pete Ceprianc.

A very handsome loving cup is now on exhibition at the Olympic parlor for the winning team in the duckpin tournament, now in progress, which willl end May 27.

This evening a double header in duckpin will be rolled, the schedule game being the Braves and Giants and a postponed game between the Giants and Cubs.

A duckpin game will be played Wednesday evening at the Colonial Palace, between the Colonials and a strong team from California. The college town has some reputation in the bowling line. Hileman and a few others of his class are red hot skeeters so they say, and no doubt the visitors will give the Monessen bunch some occasion to get up and dust. At any rate a rattling good game is anticipated.

NEW FIRE CHIEF IS ELECTED

Last night at a meeting of the Monongahela council, C. Harry Landefeld for several years chief of the city fire department, tendered his resignation which was accepted and George A. Anderson of the Monongahela Times was unanimously elected to fill the vacancy. Both gentlemen are well and favorably known about Monessen.

CHILD WELFARE IS BEING ORGANIZED HERE

Mrs. H. M. Schafer of Pittsburgh, general organizer for the National Congress of Mothers, who has been in Monessen for the past two weeks, is being cordially received by Monessen mothers and is meeting with much encouragement and success in forming a local organization.

Mrs. Schafer has already quite a goodly number of local women who have signified their willingness and intent of joining and aiding in building up a good, strong, aggressive Mothers and Child Welfare organization for Monessen. It is not definitely known yet just when the local organization will be instituted and put into actual operation, but no doubt it will be just as soon as asufficient membership has been procured. And when it is started it will be made up of the best and most practical and far-seeing mothers of the town.

Mrs. Schafer feels much encouraged with her work in Monessen and is being cordially received into the homes of our best people. Mrs. Schaefer says:

The National Congress of Mothers is the only organization in the world of Motherhood, and we feel it is only by united effort that motherhood will be exalted.

The Congress stands for everything that is good. Mothers' Pension Law, Child Labor Laws, Juvenile Court work and wants a Congress in every community to look after the welfare of the child. When the intelligent mothers take an interest in bettering the condition of their children, the defendent child is benefitted also.

Mrs. H. M. Schafer, Organizre.

A FALSE STANDARD OF CULTURE

has gained ground in this century which looks upon the bearing and rearing of children as something coarse and vulgar and to be avoided, but the advent of Eugenics means much for the motherhood of the race. Happy is the wife who, though weak and ailing, depends upon Lydia E. Pinkham's Vegetable Compound to restore her to health and when headaches and backaches are a thing of the past, the brave sons and fair daughters rise up and call her blessed.
